

# Go METHOD

YOUR TRIP HUB

## WHY IT MATTERS

Go Method is a service trip specific platform that we are using as our trip hub. By logging in to your personal [GO METHOD](#) account, you will gain access to all the information you need to organize and to communicate with your team. This platform is where you can create a fundraising profile and complete all of your pre-trip requirements and checklist items.

## HOW IT HAPPENS

### DASHBOARD:

This is the opening page of your profile where you can see requirements or funding milestones you need to complete. In the bottom right of your dashboard, you will see a link to your Trip Page, which is the link you can share with your friends and family (and on social media!) to help you reach your fundraising goals.

### TRIP STORY:

Under this tab, you can personalize a message to be added to your public fundraising page! Check out our Go Method Personal Support Page Examples and Fundraising Letter Template on our website here: [hereforkids.org/service-trip-resources](https://hereforkids.org/service-trip-resources)

### FUNDING:

This tab allows you to track your fundraising progress, make payments, and see any scholarships or donations that have been made to your project.

### CHECKLIST:

This shows all of the requirements for this trip and their due dates.

## NEXT STEPS

1. Log in here: [hfkintl.gomethod.app](https://hfkintl.gomethod.app)
2. Explore your Go Method account
3. Add your trip story and share with your personal network to aid in fundraising efforts
4. Complete all required checklist items
