

# VISION, MISSION, & VALUES

HERE FOR KIDS INTERNATIONAL

## VISION

We envision a world of hope, health and happiness, wherein all children are fed, clothed and lead lives of dignity and high moral character. Moreover, we aspire to a world populated by both children and adults committed to a spiritually-centered Christian foundation who recognize the joy of service, and are dedicated to maintaining a world where there is no disadvantaged child, no child in need, and no child living without hope.

## MISSION

To provide participants the opportunity to discover the eternal joy of service by collaborating with partner organizations to meet the physical and spiritual needs of underserved children and communities around the world.
